Index for Volume XIII (1942)

Cumulative Author, Subject Matter, and Title

Numbers refer to: First—number of issue; second—page number. Pages throughout the volume are numbered consecutively.

Number 1 is March; number 2, May; number 3, October; number 4, December.

For example, 2:416 refers to May, page 416.

Activities Engaged in by Teachers of Physical Education in the High Schools of Illinois. C. O. Jackson. 2:242.

Additions to the Files of the Committee for Research of the National Association of Directors of Physical Education for College Women, 1939-1941. Ruth Bass. 3:388.

ALLISON, B. J. (and M. V. Marshall)
Signs of Health and Health Habits Among College Freshmen. 1:123.

Analysis of the Physical Education Programs of the Minnesota Secondary Schools, An. Harold K. Jack. 3:314.

Analysis of the Physical Fitness of Freshman Male Students at the State University of Iowa, An. Arthur J. Wendler. 3:323.

ANDERSON, Theresa
A Study of the Use of Visual Aids in Basket Shooting. 4:532.

Annotated and Critical Bibliography of Books on Fencing, An. Stella Fox. 1:116.

ANTHROPOMETRY
Body Measurements on 100 Negro Males from Tuskegee Institute. Morris Steggerda and C. E. Petty. 3:275.

Athletes as Blood Donors. Peter V. Karpovich and Nathan Millman. 2:166.

BAKER, Gertrude M.
A survey of Administrative Relationships of Departments of Physical Education in Colleges and Universities. 2:217.

BASS, Ruth
Additions to the Files of the Committee for Research of the National Association of Directors of Physical Education for College Women, 1939-1941. 3:388.

BAUM, Mabel P. (and Vernette S. Vickers, and Lillian Poyntz)
The Brace Scale Used with Young Children. 3:299.

BENNETT, LaVerne Means
A Test of Diving for Use in Beginning Classes. 1:109.

BIBLIOGRAPHIES
Additions to the Files of the Committee for Research of the National Association of Directors of Physical Education for College Women, 1939-1941. Ruth Bass. 3:388.
An Annotated and Critical Bibliography of Books on Fencing. Stella Fox. 1:116.

BLESH, T. E.
Correlation Between Success in Student Teaching and Success on the Job. 3:397.

Body Measurements on 100 Negro Males from Tuskegee Institute. Morris Steggerda and C. E. Petty. 3:275.

BOOK REVIEWS
3:400; 4:538.

BOOKWALTER, K. W.
A Simple, Economical, and Valid Administrative Ability-Grouping of High School Boys for Physical Education. 4:512.

Brace Scale Used with Young Children, The. Vernette S. Vickers, Lillian Poyntz, and Mabel P. Baum. 3:299.

BRAINARD, A. F.
A Survey of the Problems Confronting Men Student Teachers in the Field of Physical Education. 3:333.

BRAUN, Genevieve L.
Pulse-Rate Reaction of Children to Graded Exercise. 1:79.

CAKE, Frances
The Relative Effectiveness of Two Types of Frog Kick Used in Swimming the Breast Stroke. 2:201.

CARPENTER, Aileen
Strength Testing in the First Three Grades. 3:328.
The Measurement of General Motor Capacity and General Motor Ability in the First Three Grades. 4:444.

Certain Implications of the Sickness Records of White and Colored Public School Pupils. H. T. Taylor. 3:309.

COLLINS, Patricia J.
The Development of a Scoring Key on the Strong Vocational Interest Inventory for Women Teachers of Physical Education. 2:156.

Common Postural Defects of College Freshmen. J. Stuart Wickens and Oscar W. Kiphuth. 1:102.

Comparison of Physical Achievement of Anglo and Spanish American Boys in Junior High Schools, A. Merrell T. Thompson and Claude Dove. 3:341.

Comparison of Physical Fitness Ratings as Determined by the Pulse-Ratio Test and Rogers' Test of Physical Fitness, A. Robert H. Rifenberick. 1:95.

Correlation Between Success in Student Teaching and Success on the Job. T. E. Blesh. 3:397.

Correlation Between Success in Student Teaching and Success on the Job. T. E. Blesh. 3:397.

CURETON, T. K., Jr.
Report and Recommendations of the National Committee on Aquatic Leadership. 4:520.
Development of a Scoring Key on the Strong Vocational Interest Inventory for Women Teachers of Physical Education, The. Patricia J. Collins. 2:156.
Diet and Muscular Fatigue. Austin Henschel. 3:280.

DOVE, Claude (and Merrell T. Thompson)
A Comparison of Physical Achievement of Anglo and Spanish American Boys in Junior High School. 3:341.
Effects of Hot and Cold Shower Baths Upon Adolescents Participating in Physical Education Classes, The. A. C. Robbins. 3:373.

EHRLICH, Gerald (and Abraham Sperling)
An Evaluation of the Physical Status of City College Students on the Basis of Two Standardized Tests. 2:229.

ESPENSCHADE, Anna (and Eugenie Gire)
The Relationship Between Measures of Motor Educability and the Learning of Specific Motor Skills. 1:43.
Evaluation of a High School Tuberculosis Education Program, An. Adelaide R. Ross and Joseph H. Kinnaman. 1:87.
Evaluation of the Physical Status of City College Students on the Basis of Two Standardized Tests, An. Gerald Ehrlich and Abraham Sperling. 2:229.

FOX, Stella
An Annotated and Critical Bibliography of Books on Fencing. 1:116.

FULTON, Ruth E.
Speed and Accuracy in Learning a Ballistic Movement. 1:30.
Functional Tests III; Some Effects of the Common Cold on Cardio-Respiratory Adjustments to Exercise and Cardiovascular Test Scores. Franklin Henry. 2:185.

GILLETT, Myrtle Mann
Reading Defects and Vision. 2:178.

GIRE, Eugenia (and Anna Espenschade)
The Relationship Between Measures of Motor Educability and the Learning of Specific Motor Skills. 1:43.
Graduate Major in Physical Education, The. Jack E. Hewitt. 2:252.

HALL, D. M.
Motor Fitness Tests for Farm Boys. 4:432.
Harvard Summer School of Physical Education, 1887-1932, The. C. B. Van Wyck. 4:403.

HATLESTAD, S. Lucille
Motor Educability Tests for Women College Students. 1:10.
Health and Education Through the School Lunch Period. Harold H. Punke. 3:381.

HEALTH, HEALTH EDUCATION, HYGIENE
Certain Implications of the Sickness Records of White and Colored Public School Pupils. H. T. Taylor. 3:309.
Common Postural Defects of College Freshmen. J. Stuart Wickens and Oscar W. Kiphuth. 1:102.
The Effects of Hot and Cold Shower Baths Upon Adolescents Participating in Physical Education Classes. A. C. Robbins. 3:373.
An Evaluation of a High School Tuberculosis Education Program. Adelaide R. Ross and Joseph H. Kinnaman. 1:87.
Health and Education Through the School Lunch Period. Harold H. Punke. 3:381.
Health Material in a Representative Newspaper. Benjamin J. Novak. 3:347.
The Implications of Sickness Records of Public School Pupils. H. T. Taylor. 1:37.
The Importance of Providing Cumulative Sick Leave for Teachers. C. A. Weber. 4:494.
Opthalmic Scoliosis. Charles E. Thompson. 1:68.
Reading Defects and Vision. Myrtle M. Gillett. 2:178.
Signs of Health and Health Habits Among College Freshmen. M. V. Marshall and B. J. Allison. 1:123.
A Study of Health Education in Schools of the Central District. Bessie F. Keeney. 1:75.
Health Material in a Representative Newspaper. Benjamin J. Novak. 3:347.

HENRY, Franklin
Functional Tests III: Some Effects of the Common Cold on Cardio-Respiratory Adjustments to Exercise and Cardiovascular Test Scores. 2:185.
The Practice and Fatigue Effects in the Sargent Test. 1:17.

HENSCHEL, Austin
Diet and Muscular Fatigue. 3.280.

HEWITT, Jack E.
The Graduate Major in Physical Education. 2:252.

HISTORY
The Harvard Summer School of Physical Education, 1887-1932. C. B. Van Wyck. 4:403.

HUGHES, B. O.
Test Results of the University of Michigan Physical Conditioning Program, June 15-September 26, 1942. 4:498.
Implications of Sickness Records of Public School Pupils, The. H. T. Taylor. 1:37.
Importance of Providing Cumulative Sick Leave for Teachers, The. C. A. Weber. 4:494.

JACK, Harold K.
An Analysis of the Physical Education Programs of the Minnesota Secondary Schools. 3:314.

JACKSON, C. O.
Activities Engaged in by Teachers of Physical Education in the High Schools of Illinois. 2:241.

JOHNSON, Granville B.
A Study of the Relationship that Exists Between Physical Skill as Measured and the General Intelligence of College Students. 1:57.

JONES, Lloyd Meredith
Recent Changes in the Requirement and Content of Required Health and Physical Education for Men in Land Grant Colleges and Universities. 3:364.

KARPOVICH, Peter V. (and Nathan Millman)
Athletes as Blood Donors. 2:166.

KEENEY, Bessie F.
A Study of Health Education in Schools of the Central District. 1:75.

KELLER, Louis F.
The Relation of "Quickness of Bodily Movement" to Success in Athletics. 2:146.

KINNAMAN, Joseph H. (and Adelaide R. Ross)
An Evaluation of a High School Tuberculosis Education Program. 1:87.

KIPHUTH, Oscar W. (and J. Stuart Wickens)
Common Postural Defects of College Freshmen. 1:102.

LEIGHTON, Jack R.
A Simple Objective and Reliable Measure of Flexibility. 2:205.

MARSHALL, M. V. (and B. J. Allison)
Signs of Health and Health Habits Among College Freshmen. 1:123.

Measurement of General Motor Capacity and General Motor Ability in the First Three Grades, The. Aileen Carpenter. 4:444.

MILLMAN, Nathan (and Peter V. Parpovich)
Athletes as Blood Donors. 2:166.

MOFFETT, D. C.
A Study of Accuracy of Direction in Motor Skills at Different Distances as Determined by the Relative Size of the Angle of Error. 4:466.

MONTGOMERY, Katherine W.
Principles and Procedures in the Conduct of "Interscholastic" Athletics for Adolescent Girls. 1:60.

MOREHOUSE, Laurence E. (and Oscar Schaaf)
Prerequisites for Teacher Certification in Physical Education in the United States. 3:286.

MOREHOUSE, Laurence E. (and W. W. Tuttle)
A Study of the Post-Exercise Heart Rate. 1:3.

Motor Educability Tests for Women College Students. S. Lucille Hatlestad. 1:10.

Motor Fitness Tests for Farm Boys. D. M. Hall. 4:432.

NOVAK, Benjamin J.
Health Material in a Representative Newspaper. 3:347.

Ophthalmic Scoliosis. Charles E. Thompson. 1:68.

PETTY, C. E. (and Morris Steggerda)
Body Measurements on 100 Negro Males from Tuskegee Institute. 3:275.

Physical Education as a Profession. Committee on Vocational Guidance. 2:131.

PHYSICAL FITNESS
An Analysis of the Physical Fitness of Freshman Male Students at the State University of Iowa. Arthur J. Wendler. 3:323.
A Comparison of Physical Fitness Ratings as Determined by the Pulse-Ratio Test and Rogers' Test of Physical Fitness. Robert H. Rifenberick. 1:95.

POYNTZ, Lillian (and Vernette S. Vickers and Mabel P. Baum)
The Brace Scale Used with Young Children. 3:299.

Practice and Fatigue Effects in the Sargent Test, The. Franklin Henry, 1:17.

Prerequisites for Teacher Certification in Physical Education in the United States. Laurence E. Morehouse and Oscar Schaaf. 3:286.

Principles and Procedures in the Conduct of "Interscholastic" Athletics for Adolescent Girls. Katherine W. Montgomery. 1:60.

PROFESSIONAL EDUCATION
Activities Engaged in by Teachers of Physical Education in the High Schools of Illinois. C. O. Jackson. 2:242.
Correlation Between Success in Student Teaching and Success on the Job. T. E. Blesh. 3:397.

Recent Changes in the Requirement and Content of Required Health and Physical Education for Men in Land Grant Colleges and Universities. Lloyd M. Jones. 3:364.
A Survey of the Problems Confronting Men Student Teachers in the Field of Physical Education. A. F. Brainard. 3:333.

PROGRAMS
An Analysis of the Physical Education Programs of the Minnesota Secondary Schools. Harold K. Jack. 3:314.
Report and Recommendations of the National Committee on Aquatic Leadership. T. K. Cureton, Jr. 4:520.
A Study of the Effect of Different Physical Education Programs on the Strength Index of Ninth-Grade Boys. Emil Rath. 2:169.
A Survey of Administrative Relationships of Departments of Physical Education in Colleges and Universities. Gertrude M. Baker. 2:217.

Pulse-Rate Reaction of Children to Graded Exercise. Genevieve L. Braun. 1:79.

PUNKE, Harold H.
Health and Education Through the School Lunch Period. 3:381.

RATH, Emil
A Study of the Effect of Different Physical Education Programs on the Strength Index of Ninth-Grade Boys. 2:169.

Reading Defects and Vision. Myrtle M. Gillett. 2:178.

Recent Changes in the Requirement and Content of Required Health and Physical Education for Men in Land Grant Colleges and Universities. Lloyd M. Jones. 3:364.

Relation of "Quickness of Bodily Movement" to Success in Athletics, The. Louis F. Keller. 2:146.
Relationship Between Measures of Motor Educability and the Learning of Specific Motor Skills, The. Eugenia Gire and Anna Espenschade. 1:43.
Relationship Between Personality Adjustment and Achievement in Physical Education Activities, The. Abraham P. Sperling. 3:351.
Relationship of Timing and Vision to Baseball Performance. S. Winograd. 4:481.
Relative Effectiveness of Two Types of Frog Kick Used in Swimming the Breast Stroke, The. Frances Cake. 2:201.
Report and Recommendations of the National Committee on Aquatic Leadership. T. K. Cureton, Jr. 4:520.

RESEARCH—Athletics
Principles and Procedures in the Conduct of "Interscholastic" Athletics for Adolescent Girls. Katherine W. Montgomery. 1:60.
The Relation of "Quickness of Bodily Movement" to Success in Athletics. Louis F. Keller. 2:146.
The Relationship of Timing and Vision to Baseball Performance. S. Winograd. 4:481.
The Relative Effectiveness of Two Types of Frog Kick Used in Swimming the Breast Stroke. Frances Cake. 2:201.
Saddle Sense. Phyllis P. Van Vleet. 2:233.
A Simple, Economical, and Valid Administrative Ability — Grouping of High School Boys for Physical Education. K. W. Bookwalter. 4:512.
A Study of Accuracy of Direction in Motor Skills at Different Distances as Determined by the Relative Size of the Angle of Error. D. C. Moffett. 4:466.
A Study of the Use of Visual Aids in Basket Shooting. Theresa Anderson. 4:532.

RESEARCH—Miscellaneous
A Comparison of Physical Achievement of Anglo and Spanish American Boys in Junior High School. Merrell T. Thompson and Claude Dove. 3:341.
The Relationship Between Measures of Motor Educability and the Learning of Specific Motor Skills. Eugenia Gire and Anna Espenschade. 1:43.
The Relationship Between Personality Adjustment and Achievement in Physical Education Activities. Abraham P. Sperling. 3:351.
Speed and Accuracy in Learning a Ballistic Movement. Ruth E. Fulton. 1:30.
A Study of the Relationship that Exists Between Physical Skill as Measured, and the General Intelligence of College Students. Granville B. Johnson. 1:57.

RESEARCH—Physiological
Athletes as Blood Donors. Peter V. Karpovich and Nathan Millman. 2:166.
Diet and Muscular Fatigue. Austin Henschel. 3:280.
Pulse-Rate Reaction of Children to Graded Exercise. Genevieve L. Braun. 1:79.
Some Relationships of Fine and Gross Motor Abilities. Harold G. Seashore. 3:259.
A Study of the Post-Exercise Heart Rate. L. E. Morehouse and W. W. Tuttle. 1:3.

RIFENBERICK Robert H.
A Comparison of Physical Fitness Ratings as Determined by the Pulse-Ratio Test and Rogers' Test of Physical Fitness. 1:95.

ROBBINS, A. C.
The Effects of Hot and Cold Shower Baths Upon Adolescents Participating in Physical Education Classes. 3:373.

ROSS, Adelaide R. (and Joseph H. Kinnaman)
An Evaluation of a High School Tuberculosis Education Program. 1:87.

Saddle Sense. Phyllis P. Van Vleet. 2:233.

SCHAAF, Oscar (and Laurence E. Morehouse)
Prerequisites for Teacher Certification in Physical Education in the United States. 3:286.

SEASHORE, Harold G.
Some Relationships of Fine and Gross Motor Abilities. 3:259.

Signs of Health and Health Habits Among College Freshmen. M. V. Marshall and B. J. Allison. 1:123.
Simple, Economical, and Valid Administrative Ability—Grouping of High School Boys for Physical Education, A. K. W. Bookwalter. 4:512.
Simple Objective and Reliable Measure of Flexibility, A. Jack R. Leighton. 2:205.
Some Relationships of Fine and Gross Motor Abilities. Harold G. Seashore. 3:259.
Speed and Accuracy in Learning a Ballistic Movement. Ruth E. Fulton. 1:30.

SPERLING, Abraham (and Gerald Ehrlich)
An Evaluation of the Physical Status of City College Students on the Basis of Two Standardized Tests. 2:229.

SPERLING, Abraham P.
The Relationship Between Personality Adjustment and Achievement in Physical Education Activities. 3:351.

STEGGERDA, Morris (and C. E. Petty)
Body Measurements on 100 Negro Males from Tuskegee Institute. 3:275.

Strength Testing in the First Three Grades. Aileen Carpenter. 3:328.
Study of Accuracy of Direction in Motor Skills at Different Distances as Determined by the Relative Size of the Angle of Error, A. D. C. Moffett. 4:466.
Study of Health Education in Schools of the Central District, A. Bessie F. Kenney. 1:75.
Study of the Effect of Different Physical Education Programs on the Strength Index of Ninth-Grade Boys, A. Emil Rath. 2:169.
Study of the Post-Exercise Heart Rate, A. L. E. Morehouse and W. W. Tuttle. 1:3.
Study of the Relationship that Exists Between Physical Skill as Measured, and the General Intelligence of College Students, A. Granville B. Johnson. 1:57.
Study of the Use of Visual Aids in Basket Shooting, A. Theresa Anderson. 4:532.

Survey of Administrative Relationships of Departments of Physical Education in Colleges and Universities, A. Gertrude M. Baker. 2:217.

Survey of the Problems Confronting Men Student Teachers in the Field of Physical Education, A. A. F. Brainard. 3:333.

TAYLOR, H. T.
Certain Implications of the Sickness Records of White and Colored Public School Pupils. 3:309.
The Implications of Sickness Records of Public School Pupils. 1:37.

Test of Diving for Use in Beginning Classes, A. LaVerne M. Bennett. 1:109.

Test Results of the University of Michigan Physical Conditioning Program. June 15-September 26, 1942. B. O. Hughes. 4:498.

TESTING
The Brace Scale Used with Young Children. Vernette S. Vickers, Lillian Poyntz, and Mabel P. Baum. 3:299.
An Evaluation of the Physical Status of City College Students on the Basis of Two Standardized Tests. Gerald Ehrlich and Abraham Sperling. 2:229.
Functional Tests III: Some Effects of the Common Cold on Cardio-Respiratory Adjustments to Exercise and Cardiovascular Test Scores. Franklin Henry. 2:185.
